

## NT1000

Battery capacity usable	960 kWh (minimum)
Nominal power	368 kW
Nominal voltage	400 VAC
Nominal current	532 A
Inverter type	KACO Blueplanet gridsave 92.0 TL3-S
Frequency range	45-65 Hz
Temperature range	-20°C - +35°C
Container size	20 foot ISO (High cube)
Weight	20,500 kg
Dimensions	6.06 x 2.44 x 2.89 m
Fire protection	Dry sprinkler system Smoke and temperature monitoring
Applications	System services, self consumption, electricity trade
Guarantee	5 years or min. 5,000 cycles down to 70% capacity
